Docket Text:

MINUTE ORDER: The Court has reviewed [121] Mr. Pines' notice requesting reconsideration of [119] the Court's order granting the government an extension of time up to October 1, 2021 in which to respond to the motion to intervene. The Court concludes that Mr. Pines has not demonstrated that he will suffer prejudice as a result of the extension of time, and the government has established good cause for the extension of time. The Court therefore will not alter the deadline for the government's response to the motion to intervene. The government, in its response to the motion to intervene, is directed to also address the concerns about delay raised in [120] [121] Mr. Pines' notices. Signed by Judge Paul L. Friedman on September 14, 2021. (lcaf)
